Bulletin No. 16-01
April 2016

Removal of properties for which grants in place of taxes are paid from the equalized assessment

Municipal Affairs has made a decision to discontinue paying the education property tax on properties for which grants in place of taxes (GIPOT) are provided under the *Municipal Government Act*. To implement this decision without adversely affecting municipalities which have GIPOT properties, the equalized assessment has been adjusted to remove properties for which GIPOT was paid for the 2015 tax year. GIPOT properties will continue to be excluded from the equalized assessment in future years. This adjustment to the equalized assessment is authorized in Ministerial Order MAG:015/16 (attached).

To reflect this change, properties for which Municipal Affairs provides GIPOT should be changed to the X liability code. The reason for the exemption should be identified as Ministerial Order MAG:015/16, as this Ministerial Order removed the GIPOT properties from the equalized assessment. This change will need to be made on a revision load for the 2016 submission and any subsequent submissions in future years.

If you have any questions, please contact GIPOT program staff by e-mailing GIPOT@gov.ab.ca or by dialing 310-0000 toll free, then 780-427-2225.
