

2006 Alberta Building and Fire Codes 2005 National Plumbing Code

The updated, objective-based building, fire and plumbing codes have now come into force.

2006 Alberta Building Code and Alberta Fire Code

The 2006 Alberta building and fire codes came into force September 2, 2007. For more information on the transition to the 2006 Alberta Building Code from the 1997 code, click on the link to the regulation below.
