

# Permit Regulation (AR 204/2007)

## New Regulation

The new Permit Regulation comes into force on April 1, 2008. The regulation is available through the link below:

[Permit Regulation](#)

Amendments to the Certification and Permit Regulation and the Authorized Accredited Agencies Regulation will also come into force on April 1, 2008, to accommodate the new Permit Regulation. These amendments can be viewed at:

[Certification and Permit Amendment Regulation](#)  
[Authorized Accredited Agencies Amendment Regulation](#)

## Assistance with the New Regulation

Municipal Affairs and Housing is developing a set of guidelines for the use of the regulation. The guidelines will be distributed to all accredited bodies that will have the responsibility for administering the regulation in time to assist with making any necessary changes to procedures or forms before the in force date. The guidelines will also be available through the Municipal Affairs and Housing website.

For more information on the Permit Regulation, please contact:
